Camp Fire Girls Make Tour Of Campbell Press

The Campbell Press was host to the Wee-Ki-Ya, a group of 7th grade Camp Fire Girls Tuesday afternoon. The group and their leaders were conducted on a tour of the plant and given a brief history of printing by Cliff Cassidy, plant superintendent.

Starting with the front office the girls were shown how copy is prepared and then followed its routine through the Linotype machines, and then to the banks where it was combined with the various hand type, stereotype and cuts for ads before finally being made into pages ready for the press. In addition to the newspaper operation the girls were shown the extensive commercial printing plant operated in conjunction with the newspaper, and shown how metal casting was made from paper mats ready for printing. Of great interest to the group was the operation of a Special Kelly B. Press just installed for high speed sheet printing.

The visitors were Robin O'Flyng, Karen Limo, Joan Voytek, Joan Sylvii, Nickie Makaroff, Leanne Biebesheimer, Joan Davis, Mrs. J. T. Voytek, leader; her son Davy Voytek, and Mrs. R. R. Davis, co-leader of the group.

HOME EXTENSION TO HEAR TALK ON SEWING

The Cambrian Home Extension group will meet next Wednesday, January 26 in the Youth Center at the Cambrian School. Topic for the day will be "Finishes for Dresses You Make". Project leaders will be Mrs. John White and Mrs. Andrew Bykowski. Child care will be provided.

Members are asked to bring their simplified sewing book, small sewing equipment and scraps for working.

Father-Son Banquet

BILLY WILSON COMING TO THE ROSEMARY MEET

Plans are complete today for the Father-and-son banquet with Billy Wilson the San Francisco 49er football star as guest next Thursday evening, January 27 at the Rosemary School. Wilson, former Campbell high school star was the outstanding star player in the west pro bowl game last Sunday east-west pro bowl game last Sunday at the Coliseum in Los Angeles, snagging eleven passes for 154 yards before 43,927 fans, ten of the passes being in the fourth quarter. He was voted the most valuable player of the game and awarded the Halas trophy.

Wilson will show movie highlights of some of the '49er games and tell some interesting stories. He makes his home in Campbell. The dinner starts at 6:30. Men attending should bring a boy, according to Ken Morton, ways and means chairman. The dinner is to be cooked and planned by Mrs. Frank Richardson.

ROTARY HEARS A TALK ON COLLEGE BOXING

"Boxing, Professional and College" was the subject discussed by Julie Menendez, boxing coach at San Jose State College, at the regular Monday luncheon of the Campbell Rotary Club. Menendez sketched the history of boxing which originated in Ethiopia and spread to Greece thousands of years ago, and finally England. In the United States the University of Pennsylvania in 1920 was the first College to include boxing in its curriculum. Today it is included in all College activities. At San Jose State alone there are 1000 boys registered in classes which strive to teach them to protect themselves and to fight without getting injured. Menendez stressed the fact that in College the approach to boxing is different. Protective equipment is used with headpieces to protect eyes, ears and jaws, which Menendez thinks might be a good idea for professionals to use since it would prevent matches from being called to a halt in the third and fourth round because of eye or other injuries to one of the participants. Another safety factor used by Colleges is a 14 ounce glove instead of the 6 ounce used by professionals.

George Miskulin was chairman of the day.

Mayor Appoints

LES HARMON ON PLANNING COMMISSION

L. W. Harmon, long time resident of Campbell was appointed and sworn in as a member of the Campbell Planning Commission Monday evening at a meeting of the city council. Mayor Richard Morton in making the appointment said Harmon has much civic pride and had been actively interested in incorporation as a municipality and that he had been a candidate for councilman. Harmon succeeds Guy Farley who resigned because of health. A certificate of merit service was voted by the council in behalf of Farley, also a resolution commending his services and devotion in the formative stages of the commission.

Council agreed to the realignment of Rincon east of Virginia avenue as proposed by Westchester Park developers, when Mark Thomas, city engineer reported it was six feet off-center. City also approved agreement with Dr. Turner regarding impounding of dogs, adopted a resolution to rezone half a lot in Hamilton Square so it be all of one zoning, and set February 14 as the date for hearing along with zoning of the Latimer Park subdivision. They accepted planning commission recommendation to rezone 58 more feet for Security Enterprises at Hamilton and Central, and adopted the fire arms ordinance the text of which appears on page five.

Joseph Bonacina, city attorney reported the date for hearing reply from Central Fire District regarding funds allegedly due the city has again been extended to February 4.

Mayor Morton appointed Councilman John Chargin as official representative with the League of Cities. City officials are to attend a meeting of the league tonight in Burlingame.

Pack Ten Group Plans Activities

Committee of Pack Ten met Friday at the home of Mr. and Mrs. Harry Gerin. Den Mothers Lorraine Ella Mae Wickliffe, Dolores Lathrop, and Connie Cloyd were present.

Committeemen present were Cub Master Henry Schatmeier, Assistant Cub Master Arch Kennedy, Bill Gilbert, Chairman Tom Williams, Garland Bachmann, Leonard Wickliffe, and Albert Handley.

The January Pack meeting will be held on January 28th at the Cambrian School cafeteria when Mr. Wickliffe will show a film on railroad. He will show the boys signals, flares and torpedoes, explaining their uses. Freddie Helms will exhibit a model railroad. Mrs. Wickliffe will prepare a skit, at her den meetings.

Plans were also made for the Roundtable to be held at the school cafeteria on February 8th. The den mothers are preparing skits on "Knights of Yore".

Further plans for the Pack's annual Blue and Gold dinner to be held on February 25th were also discussed.

HEAVY RAINS

A steady downpour had brought the season's rainfall to 8.55 inches by five o'clock last evening which is one inch above normal and 3.85 inches over the average at this time one year ago. The waters of San Tomas Creek were swelling and threatening to overflow some portions of the banks. Snow blankets the hills.

Moreland School Studies Need For Advisory Board

Citizens of Moreland School District are invited to meet on Tuesday, January 25th at 8 P. M. in the Moreland Cafeteria on Payne Avenue to discuss the formation of a Citizens Advisory Committee purpose of which would be to study community problems in relation to the schools, and to make recommendations to the school board for action. New subdivisions coming into the Moreland District are raising the enrollment and bring all sorts of problems including lack of facilities and shortage of teachers.

The National Citizens Commission for the Public Schools reminds us that "the problems of public education concern everyone so it is time for all to do something about them". This Commission also states that "the objectives of the Citizens Committee shall be to advance the establishment and maintenance of an educational system which shall be appropriate to the nature of the population, the needs of the times and the resources of the community".

Vincent Carter, at the request of the Moreland School Board, has prepared an agenda for this informative gathering at which time interested citizens will have available literature on community projects. Copies of "How We Can Help to Get Better Schools" will be among available materials for those who feel the need for an organized group in the community.

Members of the Moreland Board are: Mrs. Virginia Lagiss, Geo. D. Robertson, George H. Ballantyne, Vincent Carter and Sam Manfre.

Two schools now exist and a third, Escuela La Palma, will be soon under construction. Sites are being considered for new schools.

Campbell PTA To Hear District Attorney At Meet

N. J. Menard, district attorney, will be the guest speaker at the next meeting of the Campbell Grammar School P. T. A. which will meet in the school auditorium at 2:00 p. m., Tuesday, February 1. Menard has chosen as his topic "What Can Parents Do To Help The District Attorney?" He will be introduced by Mrs. Maxwell Fimkin, parent education chairman. The meeting will be open to the public.

Mrs. Albert Bariteau, president, announced the rag drive was considered a success, having netted \$149.44, and that new band uniforms will be purchased with the fund. In charge of the rag drive were Mesdames John Sabo, Alva Miller, H. Peterson, and Miss Margaret Bonus.

Chamber Of Commerce Reports

Campbell Lining Up For New Industries

At a luncheon meeting of the Campbell Chamber of Commerce yesterday noon, Russell Pettit, manager of the San Jose Chamber of Commerce warned that Campbell should take early steps toward setting up adequate parking facilities, predicting that Campbell will grow four times as fast in the next ten years as it has in the last ten years.

He pointed out that San Jose, like other peninsula cities waited too long and has had to pay a high price for off-street parking.

Pettit and Lloyd Weber, industrial department head, discussed ways for getting industry, in Campbell. They commended Mario Saia, industrial committee chairman and Sam Cava, president of the Campbell Chamber for getting factual information which they can use to our advantage. They said that industry pays its way in new annexations but subdivisions do not since they bring more families and children to create a need for more schools.

Pettit said fruit canneries had big payrolls for about three months and that with frozen food plants and industries with year around outputs the peak is flattened out. Weber said the industry potential is great in Santa Clara County as population increased from 290,000 to 400,000 in four years. He told how his committee contacts industrialists all over the country and said that they would include Campbell as an industrial potential in the future.

Cava reported on Chamber of Commerce activities since the last luncheon meeting.

Primary purpose of the corporation is to acquire and to maintain a lodge hall, to acquire real and personal property for a lodge hall to serve as a meeting place for members of the corporation.

Walsh said that the corporation expects to eventually erect a lodge hall but has no definite plans to do so at present.

Bishop O'Dowd Council, Knights of Columbus, will hold their quarterly communion at St. Lucy's Parish in Campbell at 8:00 a. m. Mass on Sunday, January 23rd.

YOUNG CAMPBELL GIRL IS WINNING POLIO FIGHT

By Vivian Faulkner

This is the story of Wanda, fourteen year old daughter of Mr. and Mrs. Hershel Carter, who, through sheer grit and determination, is over-coming the crippling effects of the dreaded Polio virus.

On a hot August day in 1953 two little girls, ages 11 and 13, took a walk from the country home of one into the town of Merced some two miles distant. The walk in the hot summer sun was long and tiring, but since the day was so warm the girls decided to go for a swim when they returned home.

After a brief swim, Wanda became chilled and so sat in the sun in an effort to become warm. Several days later at home in Campbell she became violently ill and was rushed to County Hospital, her illness diagnosed as a combination of spinal and bulbar poliomyelitis with complete paralysis.

At home the heat packs were continued for four more months along with therapy given by Charles Street of the Rehabilitation Center. Toward the middle of November she learned to walk between parallel bars built by her father who also built an exercycle and gym to help strengthen her body. Grandfather Joe Carter helped by making wooden shoes to which were attached a series of pulleys and weights designed to work muscles in her legs. When no longer needed all these were given to the Rehabilitation Center by the Carters to help other Polio victims.

From November until June she used crutches, but was only able to walk short distances. These she discarded in favor of two canes and even managed to walk to her seat on graduation day last June using only one, which she still uses today. It is still necessary to have therapy treatments twice a week and to exercise one hour a day at home.

At Campbell High School where she is enrolled as a Freshman, Wanda carries a full schedule which includes Latin, Algebra, Orientation, English, Arts and Crafts, and helps in second period Braille reading class by reading student problems to the teacher, Fred Sinclair, who translates them into Braille for his blind students.

For recreation Wanda likes to read, especially dog and horse stories, and tend to her eight rabbits which began originally with two babies given by her grandfather and which she raised by feeding with a small bottle.

The Carters feel they were fortunate to have had Polio Insurance at the time of Wanda's illness so that the estimated \$7,000 cost of her hospital expenses which would have been spent by the March of Dimes Fund could go to help others less fortunate.

CAMBRIAN WANTS MORE CLASS ROOMS

Delos Bagby, superintendent of the Cambrian school and Leslie Norberg, principal of the new Steindorf school were in Sacramento last Friday getting approval of the department of school house planning of their plans for an additional two rooms to the eight already approved for the new school proposed for Custer and Harris avenue in Cambrian Park. Plans for five more rooms were also approved due to the substantial population increase in the area.

Construction of these additions are proposed for Spring or early Summer, pending approval of funds by the Department of finance.

The Cambrian board Thursday voted an extension of 30 days to Earth Construction Company to March 3rd on the Steindorf school contract because one of the subcontractors had to be replaced.

CAMPBELL HAS A QUOTA OF \$4500

An urgent appeal for all residents of Campbell who have not as yet returned their March of Dimes envelopes, to do so at once came today from Larry Hill, who is Campbell's chairman in the current 1955 fight against dread polio. "Campbell has been given a quota of \$4,500.00 as its share in the overall County-wide effort to raise \$150,000 with which to continue the vitally necessary work of both patient rehabilitation and research that may soon bring a halt to polio's crippling effects," said Hill.

All citizens are urged to contribute at least a "penny a day in '55 or \$3.65 as the best possible form of polio insurance. Contributions can be made direct to Polio, San Jose, or sent to your own chairman. Those wishing to give, who through any error did not receive a March of Dimes envelope, are asked to use their own envelopes.

Santa Clara County's Chapter of the National Foundation for Infantile Paralysis spent almost \$100,000 during 1954 alone in caring for victims of Polio, revealed Hill. Existing funds are at a dangerously low balance and must be replenished, it was stressed.

Thus far in the campaign a total of 187 envelopes have been returned from the Campbell area, totalling \$362.96. "We look for a large influx of envelopes to polio headquarters this week following the middle of the month pay-days," said Hill. "Remember, polio plays no favorites—we need your help now. The polio chapter may be helping you next."

ST. LUCY'S MENS' CLUB ELECTS OFFICERS FOR '55

At a meeting of the St. Lucy's Mens Club at the school on Kennedy avenue Tuesday evening, Ray Einberger was nominated and elected president, Frank Bush as vice-president, Norbert Weslow as secretary and Ralph Bogren as treasurer who are to serve in these offices during 1955. Einberger succeeds Jerry O'Brien who was president in 1954.

MILPITAS REFRACTORY PLANT

Back in 1943 at Milpitas, the Kaiser Aluminum and Chemical Corporation took over a little ceramics plant and converted it to making refractory brick for the cement and steel industries. The Milpitas facilities are now devoted to refractory research.

A new basic refractories brick plant is being set up today at Columbiana in Ohio. A big plant of the firm is making aluminum foil in Santa Clara county. Magnesium is also a basic raw material produced here and was important during World War II. There is a lolomite plant at Natividad and a seaweed magnesium plant at Moss Landing, both within fifty miles of here producing magnesium.

These are but a few of the products from Kaiser Chemicals that are important to the industrial life of Santa Clara County.

BEN FRANKLIN'S BIRTHDAY

Every year with the observance of Benjamin Franklin's birthday anniversary on January 17, there are also two other celebrations in connection with it—Printing Week and Thrift Week.

You needn't be an expert on American history to know that Ben had much to do with both of these activities along with being a diplomat, philosopher, writer, inventor, statesman, and publisher.

Although the observances for printing and thrift have no direct connection, it occurs to us that both subjects have been especially vital in the development of America—vital, indeed, to the whole world.

Through the printed word, men have found the means of expressing their ideas and aspirations, thereby breaking down the barriers of tyranny, ignorance, and fear. And through thrift, men have found the material means to promote industry, invention, education, and personal security.

Without the printed word, America could hardly have gained her freedom, for it was the printed exhortations of such men as Thomas Paine which inspired the Colonists to carry on their fight. Without thrift, America could hardly have attained her vast industrial development, for it was the surplus dollars invested in business enterprise which gave birth and impetus to industry.

So printing and thrift loom large in modern life even as they did in Franklin's day, and we owe Ben a special vote of thanks for giving both a mighty boost during his colorful career.

THE '56 CONVENTIONS

The fact that both the Democrats and Republicans are planning their nominating conventions extremely close to election time in 1956 indicates that both have their nominees definitely, even if unofficially, selected. And it also must mean that the Democrats are ready to run Adlai Stevenson again and that the Republicans are counting on Ike for a second term. If this were not the case, such late conventions would prevent relatively unknown men from making themselves known to the voters.

LET'S HAVE MORE WATER

The rainfall is well over the normal mark in Campbell and in other parts of Santa Clara County today and more is expected. The average to date is twice that which had fallen at this time a year ago, so this seems to be the year for the soil to have a good drenching. The seeding of the clouds may be responsible for some of this; however, the fall all over the state seems general and this point may be questioned in days to come.

Rainfall and water tables are important to the Santa Clara Valley, and the cost for cloud seeding is small in proportion to the good it brings. Experiments are to be carried on in three sections of the Sierra Nevada mountains for cloud seeding to increase snowfall, thereby securing the snowpack for increased run-offs when the weather warms up. The Pacific Gas and Electric Company is interested in this project to help operate their hydroelectric plants, but incidental to this interest, this flow is bound to be a help to agriculture.

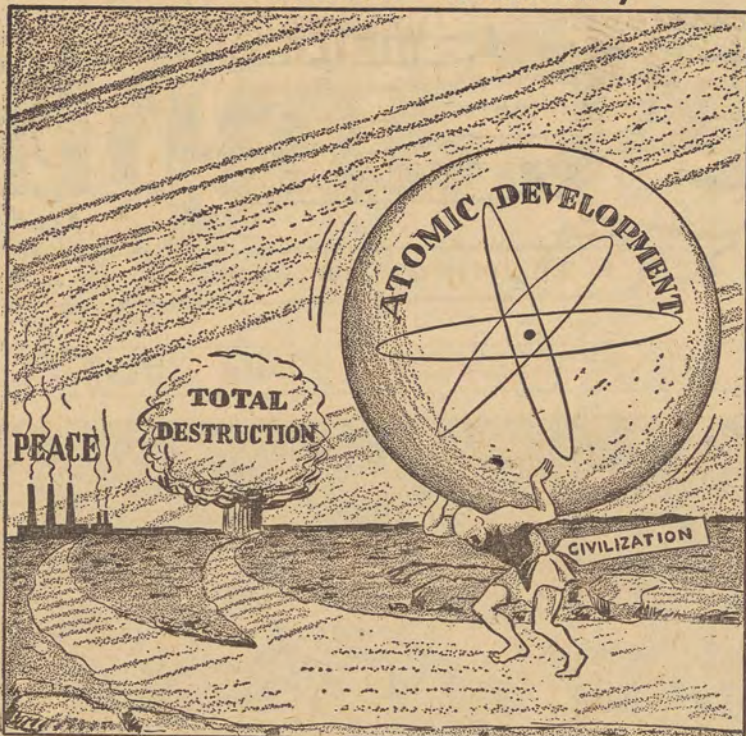

Seemingly the state has overlooked the need for water feeders to bay area counties, although this week Assemblyman Bruce Allen of San Jose introduced a bill in the lower house to establish a tri-county water authority so that legal means might be set up to bring in water from outer sources. San Benito, Santa Clara and southern Alameda counties are included in this project because of the substantial industrial developments and population increases in the last few years.

This bill conforms with facts brought out at a meeting on November 19 under auspices of the County Planning Commission in which Chester Root, commission chairman, was directed to set up a committee for this purpose.

The committee is headed by Jack Z. Anderson, former Congressman from San Juan Bautista, a man who gets things done. It plans to follow through with legislative backing and in making state officials cognizant of the need for water to both industry and agriculture in these fertile and productive counties.

This indeed, is the fastest-growing area in the entire United States, so the demands for the water supply has been strained. It has some of the state's richest soil and the state's largest payrolls. That is why legislators and civic leaders should and will find some deliberate solution to the need for more water.

The \$64 Question "Which Way"

The Campbell Gambol

A PANEL Discussion about report cards of today and yesterday held Monday at the Dover school and it all simmered down to whether the five point system of grading by A, B, C, D, and E, or by the present three point grading of excellent, satisfactory or unsatisfactory is the best, and the talk went on to the limit, with a vote to continue the discussion at the next meeting by which time, the report cards will have been issued for the first time at this ninth school in the Campbell Union Grammar School district . . . on the panel were Mrs. Margaret Mathews, Ellen Ingram, William D. Jones, Peter Fransusch, Patrick Koster and Duane Beaubien with Peter Zavlaris acting as moderator . . . one point brought out was that the competitive angle in attaining outstanding grades is played down, whereas in business life the driving force for accomplishment is a factor toward success, another point being that by the three point system the intangibles are given an opportunity to develop such as emotions and social graces.

LONDON Reports a thick, pea soup fog in which pedestrians had to grope their way around the streets, some of them hollering that the end of the world was at hand, until suddenly, the sun shone through and the heavy atmosphere cleared away, which is probably a much worse situation than was that in Campbell early Friday morning when the fog was so thick we had to turn on the bright lights and go into second gear to find the street corner to turn on and get to the office just a little ahead of Hugh Nelson our mailman who came in with a Whew! saying he thought that if this keeps on, Uncle Sam ought to fix up his stops with radar so he could be sure of getting mail to the right people, something which he always does anyway.

CAMPBELL PRESS Sent its Vivian Faulkner to cover the meeting of Republican Women in St. Claire Hotel at San Jose one day last week when Governor Goodwin Knight was to give the keynote address and she was promptly ushered to the press table to sit along side of seasoned political writers from the Los Angeles Times, San Francisco Chronicle and Examiner, United Press and other publications and from outside sources we learn she must have held her own with ad libs . . . someone leaned over and asked her what her paper thought about the Bricker amendment and she came back with a comment that her paper was not too concerned with the Bricker amendment as with AB-1 the Allen bill which holds local interest and he asked "what's that?" and she went on to explain it in detail and darned of the Mercury didn't come out and endorse the bill . . . anyway since the meeting, she has been having a lot of fun taking people off guard asking what they think of the Bricker amendment until she tried it on Rev. Corwin Olds who went on to explain it in detail.

Dover To Hold Valentine Dance

"Report Cards; Past and Present" was the topic of a panel discussion at the Dover Home and School Club meeting on Monday evening, January 10, with Peter Zavlaris as moderator. Panel members were Mrs. Vinton Mathews, Mrs. Norval Ingram, Peter Fransusch, district psychometrist; Duane Beaubien, Dover principal; W. D. Jones, and Pat Koster.

Entertainment was provided by Mrs. Norval Ingram's third grade students who presented a verse choir entitled "The Poor Old Woman", under the direction of Mrs. Harold Ekerson, music supervisor. Mrs. Robert Hall, physical education director assisted children with a series of tumbling stunts.

Burch Calkins, president, conducted the meeting which was opened with a presentation of colors and pledge of allegiance to the Flag led by Cub Scouts of Den 9, Pack 76. Mrs. Burch Calkins, chairman of the Mother's March of Dimes for the Dover School, requested all mothers able to do so, to assist with the campaign on Tuesday, February 1. Mrs. Mel Eslinger, hospitality chairman, announces a Valentine dance and buffet supper for parents will be held February 5, at 8:00 p. m. in the Campbell Grammar School cafeteria. Bids are available for \$2.50 each. Mrs. George Buck, membership chairman, reported 107 parents were present.

Refreshments were served by the hospitality committee.

William Penhall of 57 Kennedy avenue had come in to pay his subscription for the 31st consecutive year, and now we hear from Luella Whitney and Clara Baldwin, sisters, who report that they have been subscribers for 40 years and have read every issue knowing full well that it alone among newspapers, presents the Campbell viewpoint.

SIGNS OF THE TIMES . . . William Kuhns sporting new Rough Rider slacks won in a game of Marko over TV station KOVR along with a pert skirt, a pair of Klondike peggers and pair of corduroys through Jeffers store here . . . child of around five who on a cold, frosty morning walked into the Carl Field store, barefooted and coatless, put a nickel on the counter after selecting a popsicle and walked out . . . "Love Me Baby" was the voice coming from outside the door of the Penhall tontorial parlor on the avenue the other day so Denver Miranda went outside, pursed his lips in a kissing fashion and a little parakeet flew down to his shoulder in an affectionate manner, so he took it home, but not for long as a lady claimed it.

NURSES OF TOMORROW

On January 13, the Nurses of Tomorrow met with their adviser, Miss Crow, in room 55 after school.

President Carol Brown announced that the cake sale request was refused because all the dates for sales were taken. She also announced that the mimeographed constitutions will be handed out at the next meeting.

The meeting was then turned over to Helene Linguist, program chairman of the day, and she introduced Mrs. Hooten, an R. N. from the County Hospital. Mrs. Hooten asked for questions and a discussion began on all the phases of nursing. She also handed out pamphlets.

The club was also honored to have Mrs. Owen present.

After the discussion, refreshments of brownies and soft drinks were served. The next meeting will be a business meeting.

BRUCE ALLEN HEADS LEGISLATIVE GROUP ON SOCIAL WELFARE

SACRAMENTO, JAN. 19—Assemblyman Bruce E. Allen was named chairman of the committee on social welfare in the lower house of the state legislature by Speaker L. H. Lincoln, in a reshuffle of committee appointments during the second week of the 1955 session.

Allen also was named to serve on other important committees in the Assembly, including: conservation, planning and public works, education, ways and means, agriculture, and judiciary.

"PACIFIC ERA" THEME FOR S. F. CONVENTION

The world's new era is centered in the Pacific, and "Pacific Era" has been chosen as the theme for the 1955 convention of the California Newspaper Publishers Association set for the Sheraton-Palace Hotel Feb. 3-6 in San Francisco.

Convention chairman Eugene C. Bishop of the Palo Alto Times has reported the traditional "no speech" luncheon Friday is on the program, as are the annual "family dinner", with State officials as guests of honor. A dinner dance will be held in the Gold Room Saturday evening.

In line with the theme chosen by CNPA directors, invitations have been sent to publishers of newspapers in the Philippines, Hawaii, Alaska and Japan.

SENATOR THOMPSON ON NEW COMMITTEE

SACRAMENTO, JAN. 19—State Senator John F. Thompson, representing Santa Clara county in the upper house of the state legislature, was named vice chairman of the committee on business and professions, it was announced here this week.

Other committees on which the Senator will serve include: agriculture, institutions, public health and safety, and water resources.

\$4 BILLION FOR A RAINY DAY!

That's how much Californians are now saving in our bank—\$4,078,274,433 as of the end of the year. Part of this money will make the hopes and dream of thousands of people come true this year. The rest will be saved for a "rainy day" or to help thousands more build their plans for the future. If all this money were allowed to remain in our bank until the end of 1955, it would earn \$81,565,488 interest. And that's another good reason for saving at Bank of America—the 2% bank interest. If you don't have an account with us, we invite you to open one now!

WHAT WOULD YOU BUY WITH \$1,965,000,000?

We have a pretty good idea of what was bought for that amount of money during 1954—for it's the approximate amount of Timeplan and other instalment credit loans made by our bank last year. A good share of it went to pay for automobiles, household appliances, home improvements, Christmas gifts and many other worthwhile things right here in our town. If you need money at any time during 1955, Timeplan may be your answer, too.

HAVE YOU "CHECKED" YOUR NEW YEAR'S RESOLUTIONS?

Chances are by now you've forgotten most of them. Many of our friends this year decided to open Bank of America checking accounts to help them keep better track of their money—the kind of resolution that can be worth a great deal in terms of thrift and convenience. If you haven't yet discovered how much Bank of America checks can mean to you, come in and let us explain the merits of either a regular or Tenplan checking account.

"This added-on room was hard to heat . . . 'til we got our electric heater!"

says Mrs. Robert Mize, 26 Park Avenue, Mill Valley, California (shown here with four of her eight children, Steve, Mary Louise, Chuck and Leslie)

"When we added this combination utility-play-guest room to our house, it couldn't be connected to the central heating system. But a modern electric heater solved our cold-room problem in a hurry. We get instant heat—exactly the degree we want—automatically."

"We're so pleased, we're having a complete electric heating system installed throughout our new vacation house."

Whether you need instant heat for a hard-to-heat room—or a completely new heating system throughout your home—electric heating provides the modern, completely automatic way to get all the warmth you want. Electric heat is clean, draft-free, with no heat wasted. For complete details, see any qualified, experienced, electrical contractor or dealer, or your local P. G. and E. office!

Campbell Vs. Fremont

Battle Of The Giants In Campbell Tomorrow

BUCS SCORE FIRST WIN AT LOS GATOS

by Bob Olson

As predicted in the Press, Campbell's game at Los Gatos was a real thriller last Friday night—for three quarters. Then the Buc height proved to be just too much for the aggressive, but small, Wildcats. This will not be the case tomorrow night when Campbell hosts the Fremont Indians in what should be this year's SCVAL "battle of the giants."

Los Gatos had no one to match Buc center 6' 5" Rahn Sparrer, who already looks like one of the league's best backboard men. But Fremont has his equal in their 6' 4" center, Curtis Schwartz, who garnered 24 points as Fremont easily defeated Lick 59-41.

The Wildcats had no six foot-four incher like Tony Schraub who worked off both backboards at Los Gatos to score eight big points for the Bucs. Fremont has a sophomore, Bud Mathiesen, who is 6' 5", and already a likely candidate as an all-SCVAL forward.

Fremont appears to have the strongest defensive club in the league, and Fremont is the only team in the SCVAL able to match Campbell in all-over height. Their

punch last Friday night against Campbell. The Bucs seemed overconfident and "surprised to be behind" during most of the first half. The Wildcats repeatedly took the ball away from big boys from Campbell. Jim Fuller for Los Gatos scored sixteen points Friday night, most of them during the torrid first half.

Guard Vernon Lunt, a good playmaker, made nine points in the last quarter when his close guarding also was a big factor in holding Los Gatos to a single field goal.

Phil Arman scored eighteen big points. His enthusiasm seems to be felt by every player.

6' 1" forward, Terry Brown, scored ten points in the Lick game, and should prove to be all that Buc guard, Vernon Lunt, can handle.

At guard, Fremont has Steve Lynch, also a ten point man. Campbell fans will remember this Indian senior since he played so well as a football fullback. The other Indian guard is a 6' 1" sophomore, Phil Kelly, who also scored ten big points against the Comets last Friday night.

Los Gatos had plenty of scoring

WINTER SPORTS EVENING IS SCHEDULED HERE ON WEDNESDAY

Basketball and wrestling will be the main features of the Winter Sports Evening next Wednesday starting at 8 o'clock in the boys' gymnasium at Campbell High School under auspices of the CUHS Dads Club, it was announced by Len Meritt, president who promises good refreshments, talks and demonstrations of winter sports. All dads in the high school district are invited to the affair which also will afford an opportunity to meet the various coaches and the outstanding athletes of the school.

Varsity Basketball Coach Bert Robinson will direct some of his Varsity players in demonstrations of various offenses and defenses. Also on hand will be Coach Chuck Crampton, recently appointed basketball coach for the new Camden High School. Both Robinson and Crampton are former San Jose State College basketball stars and both play night basketball on valley teams in addition to their coaching assignments.

Buc Varsity Wrestling Coach, Ken Duddridge, will conduct a demonstration of wrestling on the high school level, assisted by some of his SCVAL champion grapplers, and assistant coach, Felix Knauth, who is also an English teacher at the high school.

Bill Walker, a San Jose State student now doing his practice teaching in physical education at the local high school, will conduct a demonstration of wrestling at the college level.

S. F. PORT DESCRIBED IN NATIONAL MAGAZINE

SAN FRANCISCO, Jan.—San Francisco's Embarcadero is described as "encircling the waterfront like a necklace" in a feature on the port and its famed thoroughfare in the current issue of "People and Places," national publication distributed by DeSoto-Plymouth dealers.

Enlivening the article on the Embarcadero's history are photos and color sketches of the street itself, piers and ships, Fisherman's Wharf, the Ferry Building, the port's Foreign Trade Zone and familiar scenes about the city—International Settlement, California Street cable cars, Union Square and Chinatown.

ORDINANCE OF CITY OF CAMPBELL REGULATING USE OF FIRE ARMS, AIR GUNS AND SPRING GUNS, ESTABLISHING PERMIT PROCEDURE FOR THE SAME, AND FIXING PENALTIES FOR VIOLATION OF THE SAID ORDINANCE, BEING PART OF ARTICLE V ENTITLED PUBLIC SAFETY OF THE CAMPBELL MUNICIPAL CODE.

The City Council of the City of Campbell does ordain as follows:

ARTICLE V, CHAPTER III, PART I

SECTION 15:74 No person shall shoot or discharge any gun, pistol or other firearms or any air gun or pistol or spring gun or pistol in the City of Campbell, nor in necessary self-defense or in the performance of official duty without first having obtained a written permit from the chief of police or other officer designated by him.

SECTION 15:75 The chief of police shall issue a permit to shoot or discharge any such gun, pistol or firearm only when he finds that the proposed use thereof will not endanger life or property.

SECTION 15:76 The chief of police may issue such written permit subject to such reasonable conditions as he finds will reduce or eliminate hazard to life or property.

SECTION 15:77 It shall be unlawful for any person to shoot or discharge any such gun, pistol or firearm contrary to the provisions of this section or contrary to the conditions of such written permit.

SECTION 15:78 The chief of police or other officer designated by him may, in his discretion, require the impounding of any gun, pistol or other fire arm or any air gun or pistol or spring gun used contrary to the provisions of this ordinance and part. They may be released by him to the owners thereof upon such reasonable terms and conditions as he may prescribe, except that he shall exact no fee or money penalty therefor.

CHAPTER III, PART II
SECTION 15:79 No person shall detonate or use any explosive without first having obtained a written permit from the chief of police or other officer designated by him.

SECTION 15:80 Any person desiring to obtain a permit to detonate or use explosives shall file with the chief of police a written application, signed by the applicant, containing a description of the premises wherein or whereon such explosives is to be detonated or used. The chief of police shall issue a permit only if he finds that its use will not jeopardize or seriously menace the public peace, health or safety, and for that purpose may consider any facts or evidence bearing on the location where the proposed explosive is to be detonated or used, the experience of the applicant, and the ability of the applicant to respond in damages for such injuries as the detonation or use might cause. Frank Triena In String Quartet, Concert Program

Frank Triena, local high school faculty member and conductor of the Campbell A Capella choir, will be one of the members of the San Jose String Quartet, which will open its 1955 season with a concert in the new San Jose State College Music Building Concert Hall on Thursday night, February 10, beginning at 8:20 P. M. Triena is founder and director of this famous group which also includes Dorisse Kelley, violin; Charles Giskin, viola; and Dorothy Lichty, cello.

Cosponsor: by Phi Mu Alpha and Mu Phi Epsilon, music honor societies at the College, the chamber music group will perform the Mozart Quartet in D Major, K. 575; Shostakovich Quartet No. 1; and Schuman's Quintet in E flat Major with William Erlendson, Pianist, as an assisting artist.

Triena, who is a graduate of San Jose State College, studied violin with Antonio do Grassi, Kathleen Parlow, and Naoum Blinder. He has appeared with the Roth and Griller String Quartets. He played three seasons with the San Francisco Symphony under Pierre Monteux, Leopold Stokowski, Bruno Walter, and Igor Stravinsky. He has also appeared on the Standard Hour. Triena was formerly a member of and concertmaster for the Modesto Symphony Orchestra, and was long a conductor of the Modesto Junior Symphony. The past ten years he has served as concertmaster for the San Jose Symphony Orchestra under both Usigli and Salgo.

Kelley, who is the wife of Hoyt Kelley, received her training in San Jose. She studied violin with Carol Weston and Frances Robinson. She is a graduate of San Jose State College and appeared as soloist with the College orchestra playing the Paganini Concerto. She has been playing with the San Jose Quartet for the past four years, and she is also assistant concertmaster of the San Jose Symphony.

Auxiliary Paid Official Visit

Mrs. Gerry Kerr, thirteenth district president, made her official visit last Wednesday evening to Unit No. 596, American Legion Auxiliary. Mrs. Kerr told of the expanding program of the Auxiliary in community, State and Nation, and of the need for workers on the program. Mrs. Harold Strickland, president, conducted the meeting.

It was announced that Mrs. William Burch, one of the unit's past presidents and the present sergeant-at-arms, has been appointed District Girls State Chairperson.

Guests attending the meeting included Mrs. Eleanor Wagner, first vice president of the district, and Mrs. Blanche Klaiber, president of the Palo Alto Unit.

Following the business meeting a buffet supper was served with members of the Legion Post included.

Members of the Campbell Unit attended the 13th District meeting held in San Jose, on Sunday, January 16.

B. P. W. HONOR NEW MEMBERS

New members of the Campbell Business and Professional Women's Club were honored at a recent meeting held in the Carlyn Avenue home of Emily McConnell, chairman of the evening, who was assisted by Ellen Lanphar as co-chairman. During the meeting Thelma Solari and Dorothy Ellis held a discussion of the organization of the B. P. W. Club on the District level.

New members are Mary Bersano, Lucille Solomon, Helen Story and Bell Rawlins. Due to illness Mrs. Rawlins was unable to attend. Several guests were also present.

It was announced that the Winter Conference of the Peninsula District will be held Saturday and Sunday, January 22 and 23, at Riecke's Studio Inn at 4219 El Camino Real, Palo Alto.

Those to attend the conference are Marion Hill, president; Delegates Evelyn Cobb, Emily McConnell; Alternates Hannah Berglund, Alice Schmidt, Eva Ballott; and members Mickey Mirassou, Wanda Karst, Margaret Leick, Leah Johnson and Thelma Solari.

LOSE TO SANTA CRUZ

The Campbell junior varsity basketball team took the short end of a 64-60 score Friday in a game at Santa Cruz with the high school jayvees.

TO ADD MORE ROOMS

The state has approved preliminary plans for five more classrooms and two kindergarten rooms at the Fruitvale avenue school near the Odd Fellows home, Saratoga. The school district recently voted bonds for the work, estimated to cost \$136,000. Final plans are being drawn by Charles Butner, architect so that bids may be called, the contract let and the rooms made ready by the time school opens next September.

Mothers-to-be To Form Exercise Class Here

Mothers-to-be in the Campbell area are to be given an opportunity to join an exercise class in natural childbirth to be taught by Mabel L. Fitzhugh, registered physical therapist.

At least eight prospective mothers are needed to form a class which will consist of eight weekly sessions of one and a half hours each, and will include a father's night. Any expectant mother having her doctor's permission is eligible to join. A nominal fee will be charged.

Upon completion of the course members will be eligible to join the Mothercraft Society of San Jose which has as its aims: To further knowledge and understanding of child rearing and family life; To spread the doctrine of natural childbirth; To support community programs for the betterment of family living.

Any interested person may phone Mrs. Robert Shipman of 43 Mission Way, FR 8-4202. Meetings will be held Monday or Thursday afternoon, which ever is the most convenient to all members.

Campbell High To Give Camden Fund For PTA

"Understanding Your Teen-Ager" was the topic discussed by Mrs. Robert Bogen, consultant on Family Life for the Adult Education Department of Los Angeles, at the January meeting of the Campbell Union High School P. T. A.

Mrs. Leonard Meritt conducted the meeting which was opened by the Campbell Cadets' presentation of the colors, followed by an inspirational reading by Mrs. Eugen Andres. Upon recommendation of the executive board a motion was passed that a P. T. A. project fund of \$100.00 be used toward the establishment of a Camden High School P. T. A.

Members were entertained with several violin selections played by Miss Carol Gresham, accompanied by Charlene Carmichael. Following the program, a reception was held in the Music room. Mrs. Robert Stallkamp was chairman for the evening.

Artist Describes Picture Moods To Country Women

H. Milton Snyder, a well known artist of Los Gatos, was guest speaker when the Country Women's Club met Monday afternoon. Snyder spoke on "Painting" and showed six of his paintings, three of which are award winners. In his talk Snyder described the moods of the settings of his pictures and said when ever possible he makes the frames comply with the theme and setting of his pictures. A good illustration of this was the framing of a picture of the old West, which was done in driftwood with tiny golden nuggets imbedded in crevices. Another was of a ballet dancer in a silver frame which had been rubbed with pink to carry out the color scheme of pink and blue in the picture.

Of special interest to the group was his painting of Mildred Kaucher, another artist, painting in the rain, and the fact that he was introduced to the club by Mildred Kaucher. Snyder said he had come upon Miss Kaucher one day while she was sitting in the rain and painting a picture and he just had to capture the scene. This picture has now been submitted to the Saturday Evening Post.

Snyder has had several one man exhibits and was also in a social exhibition of Jade and Art in Los Angeles, which is considered a great honor. He is also listed in the catalog of the De Young Museum in San Francisco.

Chairman of the day was Mrs. Lloyd Selig who was assisted by Mesdames Elmer H. Hoerler, Ernest Darron, Margaret Parr, Tina Taylor, A. W. Johnson and O. L. Tunstall.

The club will hold a Birthday tea February 7, to celebrate Lincoln and Washington's birthday and also the 50th birthday of the club. Mrs. Felix Bresano is chairman. She will be assisted by Mesdames John Perata, B. T. Morgan, Harry Todd, Carl Anderson, Anthony Juras, Emile S. Koller, Ida Price and Miss W. G. Grizzle.

New Girl Scout Troop Invested

Girl Scout Troop No. 371 of the Cloverleaf District was activated last Thursday afternoon at the Rosemary School, as fourteen fifth grade girls became invested as Intermediate Girl Scouts.

These girls have been working since September with their two leaders to complete the Tenderfoot requirements and are now an official Girl Scout Troop.

Troop No. 371 is sponsored by the Rosemary School with Mrs. Ken Morton and Mrs. Merv Willoughby as leaders. Mrs. Paul Roberts is Neighborhood Chairman for Campbell High, Campbell Elementary, Rosemary and Cherry Lane Schools.

Mrs. Merv MacLean is Committee Chairman of the troop assisted by Mrs. Ray C. Murphy, Mrs. Thayer Lyons, Mrs. A. W. Cobb, Mrs. Warren Untiedt, Mrs. William Gould, Mrs. Vern Murty, and Mrs. Ben F. Perry.

Troop meetings are held every Thursday afternoon in the Multipurpose Room of Rosemary School.

Cub Pack Goes To Roundhouse

Cubs and parents of Pack Ten visited the San Jose roundhouse Saturday and were escorted through the boiler room, diesel units, and were permitted to inspect the cab of a locomotive. Leonard Wickliffe of the Pack Committee made the arrangements, and he will culminate the experience with railroad films. The guides for the tour were Earl Stanbaugh, P. P. Dabraio, G. H. Wheat, and John S. Cornwall.

The adults who attended were Mr. and Mrs. Bill Gilbert, Mr. and Mrs. Leonard Wickliffe, Mr. and Mrs. Elmer Lathrop, Mrs. Mary George, Mrs. Martha Raphael, Mr. Bisconti, Mrs. Wray Cloyd, Mr. George Manuras, Mr. and Mrs. Whitney, Mr. and Mrs. Harry Gerin, Mr. and Mrs. Matt Helmbold, Mrs. McKay, Mr. and Mrs. Henry Schatmeier, and Mr. Arch Kennedy.

CAMPBELL REGISTER

Mr. and Mrs. CARL SCHOLZ of New York City are visiting at the home of the former's brother, Robert Scholz on Budd avenue. Mr. Scholz is chief engineer and vice president for International Telephone and Telegraph Company with headquarters in New York.

Judge and Mrs. MARTIN WALSH entertained a group of friends in their Budd Avenue home last Saturday evening. The group played cards and were shown movies. Guests were Mr. and Mrs. Robert Lewis, Mr. and Mrs. Fred Wejack, of Campbell; and Mr. and Mrs. Charles Bussy of San Francisco.

Mr. and Mrs. ARTHUR JACOBUS of 369 N. Milton journeyed to Pebble Beach Sunday to see Bing Crosby's 14th Pro-amateur golf tournament. While there they saw a number of movies stars, some playing in the match were Richard Arlen, Randy Scott and Forest Tucker. They also had an opportunity to get a close look at Bing Crosby and watch the clowning of Phil Harris with his friends.

Mrs. LEONARD DARDANELLI of W. Parr Avenue entered a hospital for an operation Tuesday.

Mr. and Mrs. TONY RAFFANTI have purchased a new home on Central Avenue in the new Shady Acres tract. Eva says they hope to move in within a couple of weeks but first want to finish up a few little jobs, like wall to wall carpeting.

Cherry Lane To Have Whist Party

The executive board of the Cherry Lane Home and School Club set Tuesday evening to complete plans for the Whist party set for Friday, January 28. Tickets will be sold by fourth, fifth and sixth grade children, and at the next regular meeting, January 25.

William Lawler and John Nevin reported that they hoped to complete the purchase of sound equipment for the school after approval of the membership. Plans were made for a social period before the next business meeting. Mrs. Mel Cotton has agreed to head the Mother's March on Polio for the Club, and is organizing her drive on February 1.

Scouts Rally Here Tonight

About 250 boys from 35 patrols in the Campbell scout district are expected to attend the First Air-O-rail this evening in the girl's gymnasium at the high school along with about forty adult judges and officials. The event, which is conducted by the district health and safety department, is to be a demonstration and some competition by patrols for scout training.

Each of the troops, represented by patrols, will furnish a judge and official.

Dr. David Walworth, chairman, is assisted by George Carlson and Michael Brusin.

TO HOLD POTLUCK

The annual winter potluck dinner will be held by the Pennsylvania Society at 6:30 p. m., Saturday, January 29, in I. O. O. F. hall in Campbell. Members are to bring their own table service. Coffee will be served by the club. All friends born in Pennsylvania are invited. A short business meeting and entertainment will follow the dinner.

were Tommy and Henry Raphael, Larry McKay, Freddie, Robbie and Clarence Helmbold; Roy Jual; Judy and David Whitney; Bruce and Harry Schatmeier; Patty Sue, Douglas, and Dennis Lathrop; Mel and John Wickliffe; Dickie Dodge; Earl Conner; Jerry and Bonnie Cloyd; David Bachmann; Harry and George Manuras; Wicky Kennedy; Tommy Gerin; Bill Fuller; Pat Bisconti; and Bill Gilbert. At the end of the tour, the guides presented the boys with railroad literature for use in their theme of railroads.

GAMES TOMORROW

Fremont at CAMPBELL
Santa Clara at Mt. View

have two weeks to prepare for their next league game against the Eagles at Mountain View, who have only lost one game so far this season.

One team a week draws a bye in the SCVAL since Live Oak, long a member of the conference, dropped out to play in the Coast Counties Athletic League "B" Division. This week Los Gatos is idle, next week Campbell, and the week following, Fremont will have a free night.

In one of the other two games tomorrow night Mountain View is favored over a Santa Clara club that is so far untested in league play. The Eagles scored an easy 57-30 victory over Washington last week. Mt. View grabbed a big 22-7 lead in the first quarter, thanks to the sharpshooting of their fleet forward, Paul Cass, and his big twelve points. This will be the first league game for Santa Clara but the Panthers looked good defeating a strong Salinas five 48-40 Friday night in an exhibition contest. Santa Clara has good height and an amazing 6'3" center in Bob Lister. However, the Panthers have lettermen only at the guard positions this year and are using two freshmen on their Varsity five.

In tomorrow night's third contest, James Lick is almost certain to defeat Washington. Fremont gave the Comets a 59-41 pasting last Friday night, the Indians proving to be too tall for "the mighty midgets" from East San Jose. Lick's candidate for All-SCVAL, forward, Paul Ashmore, scored no field goals at all during the evening and totally garnered only three free shots.

DOBIE CLUB HOLDS MEETING

The Dobie Club, men's organization of the Congregational Church, held a breakfast meeting last Sunday morning at the Church with approximately 30 men in attendance. Laurence J. Hill, superintendent of the Campbell High School District, made an inspiring talk using as his subject "Church, Home and School". The meeting was conducted by Dave Buchold.

Pediatrician To Open Office Here

A child specialist, Dr. Richard S. Nelson, will open offices January 24, in the new Medical Building at 451 East Campbell Avenue. Dr. Nelson, a former resident of Detroit, Michigan, moved to San Jose in May of last year where he was associated with Dr. E. P. Hockenbeamer, pediatrician, for seven months before deciding to open his own offices here in Campbell. He is married and the father of four small children, Mary Ann 5, David 4, John 2, and Michael 7 months.

Dr. Nelson has served with the Air Force on two different occasions, the last time being in Pediatrics at the Randolph Field hospital in Texas. He is a graduate of St. Louis University School of Medicine, class of 1948, and interned at St. Louis University Hospital, after which he took Pediatric residency at the John Gaston Hospital of the University of Tennessee at Memphis and St. Joseph's Hospital also in Memphis.

The Nelson family are not entirely alone in California as the Doctor has an uncle in Atherton, Arthur Hull Hayes, who is Vice President of the Columbia Broadcasting System, and a brother-in-law, Dr. H. Christian Zweng, ophthalmologist, at the Palo Alto clinic.

Moorpark Staff Holds Belated Dinner Party

Staff members of Moorpark School, together with their husbands and wives, held a belated, semi-potluck, Christmas party at the school Saturday evening. It is the custom of the school to hold their annual party shortly before Christmas, but this year due to various reasons, it was necessary to postpone it until January. A ham, furnished by the staff, was cooked by Irma Benedetto, assisted by her husband Ori.

Following the dinner, the group played cards, games and danced, under the supervision of Mark Swengel, entertainment chairman.

IRIS SOCIETY TO SEE SLIDES ON GARDENS

The California State Iris Society will hold a special meeting January 27, at 8:00 p. m. in the Pioneer Friendship room at 1285 Lincoln Avenue, San Jose. Guest speaker for the evening will be Frank J. Crouch, regional vice president of district 14 of the American Iris Society.

Another feature of the program will be the excellent photography of Dave Le Carl, of Acalanes, which will be exhibited with a showing of his slides on Iris and Iris gardens.

Maynard C. Knopf, of the Knopf Iris Gardens, Campbell, program chairman, is in charge of refreshments.

PAPER DRIVE IS A SUCCESS

The drive for old newspapers ended at the Campbell High School yesterday as the goal of one hundred tons was reached, which amount is to be sold and the money used to defray student body expenses. Gary Lukehart, student manager of the drive said the public responded very well but that inclement weather conditions necessitated the collection to be continued three extra days.

Students using their cars to gather the paper had to burn their own gas as no money was set aside for this purpose, and the number of calls to make collections was so great that the schedule could not be completed on time.

CONSUL GENERAL OF INDIA TO SPEAK AT LUNCHEON

"India and the World" will be the topic of S. K. Banerji, consul general of India in San Francisco, who will be guest speaker at the Business Men's luncheon sponsored by the World Affairs Council of San Jose on Monday, January 24 at the Hotel De Anza. The speaker will be met by the president of the local World Affairs Council, Norman Stoner, Campbell attorney, and introduced to the group of business men by Charles Morse, host for the luncheon and first vice president of the Ferry-Morse Seed Company of Mountain View.

Mr. S. K. Banerji was born near Calcutta in 1913, the son of the president of the college in Dehra Dun, in the Himalayas where he spent his youth. He received his education at the Allahabad University and New College Oxford. In 1953 he entered the Indian Civil Service, standing first in India in the examination held for entering that service. In 1937 after spending two years at Oxford, he returned to India as Assistant Commissioner in the Central Provinces of India. He became Deputy Commissioner in 1942, and in 1946 was appointed Joint Secretary to the Central Provinces Government.

After India won her independence Mr. Banerji was sent, in November 1947 to Terehan as Charge d' Affaires of the newly created Indian Foreign Service. In 1949 he was appointed Deputy Secretary in the Ministry of External Affairs at New Delhi. In this capacity he was in charge of political territorial divisions dealing with Europe, Middle East and Pakistan, and also, for some time, with United Nations Affairs.

As Deputy High Commissioner of India in Pakistan, he was honored in 1952 when the personal rank of Minister was conferred on him. Three years later Mr. Banerji was selected for appointment as Consul General of India in San Francisco. He was accompanied by his wife and three children.

STAMP ASSOCIATION HAS PAID OUT \$40,000 SINCE FOUNDING

By Vivian Faulkner

The Campbell Merchants Stamp Association will soon be marking its third year, on February 2, of a successful operation by a group of progressive business men who banded together to promote trade in Campbell. Each year finds more merchants joining the association and more customers turning in Stamp books which entitle them to three dollars in credit in any of its 39 member stores. In the three years since its founding, citizens of this community have received dividends in the form of discounts of approximately \$40,000 in merchandise.

The idea of a customer dividend was originated early in 1951 by the merchants committee of the Campbell Chamber of Commerce who felt that something was needed to induce people of this area to shop in Campbell. The group met on evening in Jeffer's store to consider the various ways and means in which to accomplish this project. After discussing a number of plans in use in other communities, they decided stamps offered effective advertising and a consistent inducement for customers to shop in Campbell.

This group appointed a committee consisting of G. E. Jeffers, Harold Estensen, C. M. Gerevas, William Means, and Forrest Reese to investigate Stamp Associations in Alameda and the Mission District of San Francisco that had been using the plan for a number of years. The two Associations gave the committee from Campbell good advice and told them of pitfalls to avoid. On their return an attorney, Richard Morton, was engaged to draw up the corporation papers and guide the organization through its early stages. The original capital of the organization was contributed by the various merchants and business men of the community and has long since been repaid in full.

After almost a year of intensive planning and organizing, the Association was incorporated on February 2, 1952. Stamps and Redemption books were purchased and distributed to members, and the Stamp Association was off to a flying start.

Members of the Stamp Association with businesses ranging through service station, hardware, variety, and clothing stores, give stamps on merchandise sales, representing a discount of approximately 3%, which means a substantial saving for each person saving the stamps. Each book of stamps can be turned in at any members' store and is worth \$3 in trade. Merchants point to the advance-

Tandem Club To Hear About Personalities

"Personality Attitudes" is the subject of a talk to be presented by Cleo and Reese Knowlton, who will also be chair couple for the evening when the Tandem Club of the Methodist Church meets Tuesday evening in the Church fellowship hall. This meeting will give everyone present an opportunity to learn more about personality problems.

Thirty members of the club enjoyed an evening of fellowship and inspiration last Friday when Dr. Douglas Hayward of San Mateo spoke to the group on "Christians and War". Dr. Hayward, who is pastor of the Hillsdale Methodist Church, interpreted the problem of the Christian and his outlook, and consideration of war.

It was announced a Valentine party will be held for the couples of the church on February 11, and all members are to circle the date on their calendars.

tags of these stamps which are: one, the number of places at which they can be redeemed; two, they are worth \$3 and backed by a reserve fund of approximately \$10,000; three, it keeps the money in Campbell.

The Association contributes funds to community projects such as the Little League Baseball and it finances the annual outdoor scene at the High School, which is just another way of giving dividends to an entire community.

On April 1, 1954, W. B. Enoch, a public accountant, took on the duties of business manager. He is responsible for keeping the business in line and the budget in the black, as well as directing its activities. At the present time Lowell Benson is the association's third president. Bill Means was the first; C. M. Gerevas, second; with G. E. Jeffers as secretary-treasurer continuously since the organization was founded.

San Tomas PTA Hears Talk On School Health

"Health in School" was the subject of a talk by Dr. Lydia Verburg, medical doctor for Campbell Union School District, at the January 18 afternoon meeting of the San Tomas P. T. A. Dr. Verburg explained the immunization program and screening tests given by schools of this county and answered questions by the membership. She was introduced by Mrs. Louise Karpen, San Tomas school nurse.

The program, arranged by Mrs. Joseph Orvis, health chairman, opened with musical selections performed by a rhythm band composed of the first grade classes of Mrs. Mary Morse and Mrs. Lillian Hughes.

The meeting was conducted by Mrs. Chris Miller, president, who announced the Mother's March of Dimes is scheduled for February 1, and called for volunteers. A talk on the March of Dimes was made by Stephen Dunn, student member of Campbell High's speech commission.

Refreshments were served by fourth grade mothers under the chairmanship of Mrs. C. Greeson. The next meeting of the group will be Founders' Day, February 15, at 7:45 p. m. in the school cafeteria.

San Tomas Men To CanCan In Follies Show

Men of San Tomas are busily creating millinery confections in preparation for a hat contest to be held at the "San Tomas Follies" on February 16. A prize will be awarded for the most stunning piece of headwear worn by a male on that much anticipated occasion, as judged by the audience.

"Fischerace" and his brother George, complete with candelabra, smiles and Steinway, will be featured at the Variety show as will be the traditional "Can-Can" of San Tomas with new line of cuties this year. The show is an annual event sponsored by the San Tomas P. T. A.

Tickets for donations of fifty cents will be sold by fifth and sixth grade students of the school and may also be obtained from members of the cast. Sales will start February 11.

Rehearsals will be under way January 28 under the supervision of Mr. and Mrs. Ed Miller, ways and means chairman of the P. T. A., assisted by committee members, Mesdames Ray Snyder, Ray Benich, Del Hack, Steve Anderson, B. L. Bowen; and Messers Robert Farrell and Jack Fischer.

St. Lucy's To Hold Whist Party

Final plans have been made for a Whist party which is being sponsored by St. Lucy's Women's Club on the evening of January 28, at 8:00 p. m. in the auditorium of St. Lucy's School.

The committee, composed of Mesdames Antone Pimental, Manuel Silva, John Serpa and John Triguero, met this week at the home of the chairman, Mrs. Joseph Souto to work out the final details of the party. A great number of prizes have been obtained and three door prizes will be awarded.

CARMEL LA MALFA ANNOUNCES BETROTHAL TO LEE HEREFORD

An air of mystery pervaded the Cambrian School last Friday noon when faculty members found their luncheon table decorated with the traditional candles and flowers which always signify a momentous event. The mystery was dispelled when napkins and heart-shaped cupcakes inscribed "Carmel and Lee" were served with ice cream to an-

G. O. P. Women Attend Biennial Convention In S. J.

The California Federation of Republican Women held its 9th biennial convention January 10 and 11 in San Jose with approximately 1,200 California women attending the two-day gathering at the Civic Auditorium.

Kathleen Norris, author and guest of honor of the Monday evening reception, told the group that women must keep active, and stressed that the younger women should continue the work started by older members.

Of three resolutions proposed at the convention two were passed and one vetoed. The first, to change the primary from June to late August or September was voted down; the second, all Republican women to familiarize themselves with Republican accomplishments and to broadcast them everywhere so that everyone may know, was adopted; the third, to curb presidential power to make executive agreements without consent of Congress, was also adopted.

On Tuesday an overflow capacity crowd of 600 women attended the luncheon at the St. Claire Hotel where Governor Goodwin J. Knight was guest speaker. At the banquet which concluded the convention, delegates heard Carveth Wells, news analyst and radio commentator, declare, "America is at war with Russia today whether we like it or not." His topic was "Peace or War in Asia".

Delegates from the Campbell Republican Women's group who attended the two day session were Marie Combs, Hancie Naylor and Anne Bradford.
